CAPITAL IMPROVEMENT PROGRAM — $3.0M · $52,684 / KEY

01 Guest room renovation — $1.43M

02 Additional revenue sources — $0.85M

A 25-slip marina, reconfigured boat bar and rebuilt three-bedroom house add revenue sources beyond guest rooms.

03 Brand affiliation — SLH · Yr 2

Operation under the Wylder Hotels brand, with a planned Small Luxury Hotels affiliation in Year 2 distributed through Hilton channels.

Exterior and interior improvements, contingency and professional fees complete the $3,003,000 program, equal to $52,684 per key across 57 keys. **The program is funded by the sponsor outside this financing** and is not drawn from loan proceeds.

REVPAR INDEX TO COMP SET

41.5% → 70% target

$87 today vs. $210 comp set (STR, Dec 2025)

The plan targets a RevPAR index of approximately 70% of the competitive set, **assuming no growth in the underlying market.**

NOI · 2027→2029	REVPAR · 2025→2029
1.8×	**$87→$166**

Small Luxury Hotels affiliation and distribution.

WHY THE AFFILIATION MATTERS

HILTON DISTRIBUTION

SLH member hotels are bookable directly through **Hilton.com, the Hilton app and Hilton Honors**. The affiliation places the property inside Hilton's reservation and loyalty system rather than leaving it dependent on direct booking and third-party channels, which is the mechanism behind the projected occupancy and rate gain.

AN ESTABLISHED RELATIONSHIP

The sponsor already operates within SLH. **Wylder Windham, the sister hotel in the Catskills, is an SLH member** and was the first in that market. The application here is an extension of a working relationship rather than a first approach.

AMERICAN EXPRESS FINE HOTELS & RESORTS

Wylder Windham carries the **American Express Fine Hotels & Resorts designation**, reached through the SLH platform. The same designation is the plan at Tilghman Island, adding a high-rate corporate and affluent leisure channel on completion.

Affiliation is targeted on completion of the renovation and remains subject to application, inspection, board approval and an executed brand affiliate agreement.
