THE ASSET

A waterfront resort on the Chesapeake.

Wylder Hotel Tilghman Island sits directly on the Chesapeake Bay in Talbot County, Maryland — an 8.10-acre waterfront parcel with a marina, pool, restaurant and boat bar. Operated under the Wylder Hotels brand, the property is mid-repositioning, with a Small Luxury Hotels affiliation planned for Year 2.

THE SPONSOR

A hands-on owner-operator, fully aligned.

The property is owned by **21551 Tilghman Investors LLC**, led by principal **John Flannigan**, and operated under the **Wylder Hotels** brand through affiliate Wylder Eastern Shore Management, LLC — controlling day-to-day operations and the renovation, with a Small Luxury Hotels affiliation planned for Year 2.

01 Completion & cost-overflow guaranty — funds every dollar of overrun and capital shortfall.	
02 Full carry guaranty — carries debt service and operating shortfalls through the plan.	
03 Recourse carve-out & environmental indemnity.	
04 \$10,000,000 minimum net-worth covenant on the guarantor.	

The sponsor has funded **\$2,000,000 of cash equity outside the project basis**, and sits \$6.08M of cost beneath the loan.

A proven operator, and the brand he built.

HOW THE PLAN CREATES VALUE

\$3.0M · \$52,684 / KEY

01

Reset the product

Full renovation of all 57 guest rooms at \$25,000/key; four out-of-service keys returned and three added — 50 → 57 keys.

\$1.43M

02

Add revenue streams

A 25-slip marina, the reimagined boat bar, and a rebuilt 3-bedroom house broaden revenue well beyond the room block.

\$0.85M

03

Lift demand through brand

The Wylder brand and a planned Small Luxury Hotels affiliation (Year 2, bookable on Hilton.com) drive both rate and occupancy.

SLH · Yr 2

Exterior and interior improvements, contingency and professional fees complete the \$3,003,000 program. The renovation is advanced by the senior lender against completed work.

REVPAR INDEX TO COMP SET

41.5%

→ ~70%

\$87 today vs. \$210 comp set (STR, Dec 2025)

This is a repositioning, not a market bet — lifting the property toward 70% of an already-proven competitive set, **assuming no growth in the underlying market.**

One first mortgage. Nothing beside it.

YEAR-1 VALUE (2027) **\$21,000,000**

The request is a **single \$12,600,000 first mortgage** from New Day Commercial Capital — no mezzanine, no subordinate debt, no second position. Sponsor equity sits entirely beneath the loan and absorbs the first loss.

BASIS OF VALUE	VALUE	LTV
Newmark appraisal · as-is	\$20.40M	61.8%

Year 2 · 2028 (stabilized)	\$25.50M	49.4%
Year 3 · 2029 (stabilized)	\$28.50M	44.2%

The loan amortizes from day one on a 30-year schedule while value builds through the renovation, so leverage falls on both sides of the ratio.

YEAR 1 COVERAGE

2027 is the renovation and ramp year. NOI of \$1,259,735 falls **\$99,668 short** of level debt service, a gap the sponsor funds. Coverage clears the 1.20x minimum from 2028 forward and widens as the loan amortizes.

Debt service is fixed and level for the full 30-year term on a 10.789% constant. Figures are the underwritten base case; actuals will vary with the renovation schedule and ramp.

CREDIT PROTECTIONS

Year 3 · 2029 <i>Stabilized</i>	\$28.50M	44.2%

Sponsor cost basis of **\$18,679,659** stands **\$6.08M above the loan** — roughly 48% more cost than debt, before any appraised value is credited.

BASIS

Total cost basis of **\$18,679,659** (\$327,713 per key) against a \$12,600,000 loan. The sponsor has funded **\$2,000,000 of cash equity outside the project basis** on top of that.

AMORTIZATION

Thirty years, **fully amortizing from close** with no interest-only period. The balance falls every month at a 10.789% constant while the renovation builds value, so leverage declines from both directions.

SPONSOR SUPPORT

Completion and cost-overrun guaranty, a full carry guaranty through renovation and ramp, recourse carve-outs and environmental indemnity from the principal.

The sponsor is in ahead of the loan.
